TRANSMITTAL LETTER
Information Disclosure Statement (IDS8)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant discloses herewith non-patent literature which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR § 1.56. The Examiner is respectfully requested to review the cited art and return an initialed copy of the IDS to applicant.

A list of the non-patent literature is set forth on the attached form PTO/SBo8a, and copies of the non-patent literature are enclosed.

While the non-patent literature disclosed herein may be "material" pursuant to 37 CFR § 1.56, this is not intended to constitute an admission that any of the non-patent literature are "prior art" for the present invention. Further, the filing of this IDS shall not be construed to mean that a search has been made or that no other material information exists.

Applicant also notes a typo on the IDS form SBo8 submitted by applicant on 4/18/2011. With regard to NPL's 42, US App. No. 12/966,978 is referenced, but it should be App. No. 12/966,976. The Examiner has already initialed and returned the form as having considered the reference.

The Examiner is invited to contact the undersigned attorney should he have any questions.

Respectfully submitted,

Date: 10/11/2011
